

National Insurance Brokers Association.

BROKER OF THE YEAR AWARD

It is with great pleasure that Robinson Insurance Broking Services can announce that Principal Andrew Robinson has been named by NIBA as the 2013 WA Regional winner of The Broker of the Year Award.

The award is judged in three components;

- **Be a professional role model to the broking community.**
- **Demonstrated excellence in broking practice.**
- **A significant contribution to the broking and wider community.**

Whilst the real barometer of Andrew's success is measured by his clients, to be nationally recognized by the peak industry body is most certainly noteworthy.

Congratulations Andrew.
